Fiscal Note

This ordinance amendment substantially expands the eligible uses of the Affordable Housing Trust Fund to include operating expenses of non-profit developers, downpayment assistance, rental rehabilitation and other uses. The amendment also eliminates virtually all of the existing restrictions on how rapidly available Affordable Housing Trust Fund resources may be spent when the fund's balance exceeds \$1,000,000. The fund currently has a balance of approximately \$4,000,000 that would become available for immediate budgetary appropriation by the Common Council.
