#### **WELCOME BY THE CHAIRS OF THE FOUR POLICY GROUPS**

*Economic Development Commission, Mark Bugher, Chair  
Community Services Commission, Richard Berling, Chair

Community Development Authority, Stuart Levitan, Chair*

#### **SPECIAL PRESENTATION ON THE THREE CONCEPT PLANS PRODUCED BY THE ALLIED COMMUNITY DESIGN PROCESS**

*The Director of Planning and Development, a representative of the Allied Neighborhood Association, and a representative of the Wisconsin Chapter of the American Institute of Architects will acquaint members of these City policy groups with the three concepts that evolved from the community design process held at the Allied Boys and Girls Club in September.*

*The meeting is intended to provide commissioners with information, opportunities to clarify the concepts, and methods to identify future information that would be helpful to the various groups when they formally review the recommendations of the Allied Area Task Force sometime in February.*

*The purpose of the meeting is not to debate the concepts or to take any policy group action, but wait for formal action after the Allied Task Force completes its review and recommendations concerning the plans and their variants.*

## **REVIEW OF NEXT STEPS AND CLOSING BY THE CHAIRS OF THE FOUR POLICY GROUPS**

### **ADJOURNMENT**

*Since this meeting might have enough members present of the four policy groups to constitute a quorum for those committees as well, this agenda will also serve to notify the public of the possible quorum of the Community Development Authority, Community Services Commission, and Economic Development Commission, as well as the Common Council. There will be no official actions taken at this meeting. Since this is a public information session, it will be held even if a quorum is not present for any or all of the four policy groups.*

*Coming Soon: The City's website at [www.cityofmadison.com/planning/plan.html](http://www.cityofmadison.com/planning/plan.html) includes copies of the three concepts and some additional information regarding City activities in the neighborhood.*

*Additional information may be obtained from, or written comments may be submitted to the Community Development Office, Madison Municipal Building, Room 280, 215 Martin Luther King Jr. Blvd., P.O.
