ROLL CALL

WELCOME

SPECIAL ITEM: COMMISSION DELIBERATIONS ON 2007-2008 PROPOSALS

The Community Development Block Grant Commission will continue its discussion of all proposals by category of major objective. During this discussion, the Commission may discuss changes in proposal parameters, changes in the level of funding, or other policy-related modifications. The Commission will take action on the funding of each proposal within a category.

The Commission may review its overall recommendations, and develop an "A" list based upon conservative estimates of revenue (including close-out of prior year projects), with a solid "B" list. The Commission will compare its preliminary list with the Program Funding Framework, as well as Needs and Priorities Reports, and review the overall balance of projects within the recommended proposals.
