 COMMISSION REPORT OF OFFICER
 The Landmarks Commission recommends that the Doris House at 603 West Main Street be designated a landmark on the grounds that it meets criteria 1 and 3 of the City of Madison General Ordinances (33.19(4)a. Namely, that it exemplifies or reflects "the broad cultural, political, economic or social history of the nation, state or community" as a significant remnant of the mid-nineteenth century development of the Bassett Neighborhood, and because it is one of the few relatively intact examples of a Greek Revival style house built of the old red brick that is an indigenous and distinctive material used in the pioneer decades of Madison's history.

1/8/08	PUBLIC SAFETY REVIEW BOARD	RECOMMEND TO COUNCIL WITH THE FOLLOWING RECOMMENDATIONS - REPORT OF OFFICER
	Amend Ordinance to include the Police Department as an enforcement body. J. Zilavy of the City Attorney's Office stated that nothing in this ordinance is in conflict with State Statute, and that this impacts no ore than 20 motels at most city-wide. Prostitution (where rooms are rented by the hour with no accountability of who is renting the room) is one of the main reasons this ordinance was proposed. An increase in registration requirements would be part of the ordinance but this is for ALL motels/hotels, most of whom already do a more extensive registration. It was an oversight that the Police Department was not added as an enforcement official and a corrected/amended version of the ordinance will be prepared. This ordinance brings all of these establishments up to the same compliance level. Captain Wheeler stated that this ordinance would provide a very needed tool for police in dealing with problems/crimes at some of these establishments - as in the recent homicide at one of the motels in his police district.
