REPORT OF PED BIKE MOTOR VEHICLE COMMISSION

99. [08798](#)

Adopting the Platinum Biking City Planning Committee's report, "Making Madison the Best Place in the Country to Bicycle," and recommendations contained therein.

Sponsors: Mark Clear, Robbie Webber, Brian L. Solomon, Satya V. Rhodes Conway, David J. Cieslewicz, Judy Compton, Larry Palm, Michael Schumacher and Joseph R. Clausius

A motion was made by Ald. Verveer, seconded by Ald. Webber, to Adopt with the following amendment(s) to the report:

p. 24 – insert second paragraph: New neighborhood plans should consider bicycle boulevards as part of their comprehensive transportation plan.

Neighborhood plans in undeveloped areas should be amended or include staff comments to add bicycle boulevards to improve bicycling connectivity and access.

p. 25 – re: bicycle shortcuts – Performance Measures: Shortcuts should be formalized and signed, if needed.

p. 37 – under last point, Bicycle parking should be provided at all city buildings and transit centers.

Covered short-term parking and secure long-term parking should be provided at all current and future transit transfer points, light/commuter rail stations, bus stations, and park and ride lots. Secure, long term bicycle parking should be installed at these location. Example might include rented or pay-by-hour bicycle lockers. Parking should also be provided at major bus stops. In addition, the city will upgrade all current city racks to meet the zoning ordinance and will assure that all city buildings, libraries and parks have bicycle parking.

Responsible Party: Mayor's Office, Madison Metro, Library Board, and Parks Department

p. 39 – re: preservation of existing bike routes and "urban escape routes." Add: If the currently designated bicycle route cannot be preserved in a manner appropriate for most intermediate bicyclists, a new, equally convenient route nearby shall be designated through the use of bicycle boulevards, paths, connections to existing low-volume streets, or other such infrastructure.

p. 49 – last point, Responsible Party: Traffic Engineering with help from Safe Community Coalition, Bicycle Federation, and other community groups, as well as collaboration with Madison Metropolitan School District and other school districts serving Madison school children.

p. 50 – first point: Responsible Party: Traffic Engineering, Health, Engineering will work together with the Madison Metropolitan School District (MMSD), other school districts that serve City of Madison children, Safe Community Coalition, Bicycle Federation of Wisconsin, and other community groups

p. 50 – second point: Responsible Party: Mayor's office will work with Madison Metropolitan School District (MMSD) other school districts that serve City of Madison children, Safe Community Coalition, Bicycle Federation of Wisconsin, and other community groups

Under entire Education, Encouragement and Outreach section, do a search and replace for language naming as responsible parties specific non-city groups such as Bicycle Federation of Wisconsin or Safe Community Coalition . (Pages 49–53, 55-56, 58, 61) Add or other community groups, if that language does not already exist. This addresses the concern that one group will receive a contract without an RFP being issued.

The motion passed by voice vote/other.
