e) Notice of Potential Conflict of Interest.

Operation Fresh Start has notified us of their intent to seek new bidders for construction and acquisition loans for their property development. Their Board has determined it is in the best interest of OFS to expand the pool of financial institutions with which they do business. OFS has asked us to determine if it would be a conflict of interest for them to add Park Bank Middleton, a bank at which Connie Ferris Bailey's, OFS's executive director, sister is the branch manager. We have discussed this matter with Patrick Fjerstad, our HUD representative in Milwaukee, who has indicated he does not feel this will constitute a conflict under the HUD definitions. His rationale is that Ms. Bailey's sister receives no real or direct financial benefit from being able to bid on the loans, and in fact if they are the low bidder it will be OFS and the subsequent homebuyer who will benefit from the savings on the properties. He did suggest that we ask OFS to inform the Commission of the bidding process and to make the discussions about the potential conflicts public as a means of assuring compliance with the spirit of the regulations, although no regulation is actually being affected.
