SECRETARY'S REPORT

Update on Demolition Notification system

The Demolition Notification system was recently activated. The system was developed to assist applicants for demolition permits and their agents with completing the required notification of the list of interested persons registered with the City prior to the filing of their application. The notification is required to occur either 30 or 60 days prior to the submittal of any application involving a demolition or removal of a building based on the age of the building. The default notification is 30 days is except for buildings built before 1940, where a 60-day notification is required.

Beginning March 19, 2009, all applicants for demolition or removal will be required to post their notifications to the list of interested persons before they may submit their application.

*Those interested in being notified of upcoming demolitions should register at:
<https://my.cityofmadison.com/>*
